**Circular: Formation of Indian Geotechnical Society Student Chapter Club at Parul University under IGS Baroda Chapter**

We are excited to announce the formation of the Indian Geotechnical Society (IGS) Student Chapter club at Parul University, under the aegis of the IGS Baroda Chapter. Geotechnical engineering plays a vital role in shaping the foundation of civil engineering, and this student chapter aims to provide a platform for students interested in this field to enhance their knowledge, network with industry professionals, and engage in various geotechnical activities.

**Club Detail:**

1. Dr. Ruchi Shrivastava - Faculty Advisor, IGS Student Chapter Club, Parul University.
2. Mrs. Vanshika Muchhara – Faculty Mentor, IGS Student Chapter Club, Parul University.
3. Mr. Dhaval VAriya – President, IGS Student Chapter Club, Parul University.
4. Mr. Jeet Mangukia – Vice President, IGS Student Chapter Club, Parul University
5. Mr. Ghanshyam Patel – Secretary, IGS Student Chapter Club, Parul University
6. Mr. Dharmesh Patel – Treasurer, IGS Student Chapter Club, Parul University

**Chapter Working Committee Members:**

1. Ms. Prachi Patel
2. Ms. Bhakti Patel
3. Mr. Aditya Patel
4. Mr. Bhavesh Halai
5. Mr. Rajdip Chavda

**Activities:**

Different activities will be planned and executed by the IGS Student Chapter club under the guidance of their Mentors and with prior permission of higher authorities of Parul University as well as IGS Baroda Chapter. The IGS Student Chapter will organize a variety of activities throughout the academic year, including but not limited to Guest Lectures, Workshops and Seminars, Site Visits, Technical Competitions, Research and Publications, Networking Events etc.

Date: 22-01-2023

Time: 10:30 am

Venue: BBA Seminar Hall, Parul University

We look forward to your active participation and enthusiasm in making the IGS Student Chapter a resounding success!

**“Preparation and Packaging of Organic Garden Mix”**

Friday, December 30<sup>th</sup> 2022

**REPORT**

As we know, Gardening is a hobby of many people but due to lack of time, it can't be possible to do. So that now-a-days, there is a rising demand for a readily available inputs like organic garden mix. In respect to this point, College of Agriculture, Faculty of Agriculture organized Student Club's activity on preparation and packaging of organic garden mix by students on December 30<sup>th</sup> 2022. It aims to improve the knowledge of the students by practical exposure.

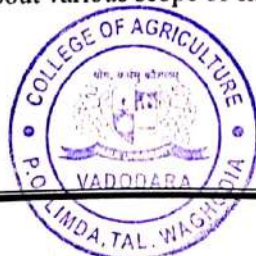

Students made organic garden mix by mixing organic farm waste, cow dung and nutrient rich soil in proper proportion. After that, they filled and packed organic garden mix into bags and labelled it. With this exercise, students get the practical knowledge which will help them to be an entrepreneur in future.

**Objective of Session:**

- To prepare organic garden mix
- To get knowledge about nutrient status of the product
- To get practical knowledge about the packaging and labelling of product
- To develop entrepreneurial skills of students

**Outcomes of the Session:**

- Students get equipped with the process of preparation, packaging and proper labelling of the product
- Knowledge about maintaining the quality of organic garden mix
- Students get knowledge about various scope of entrepreneurship in agriculture

Friday, December 30<sup>th</sup> 2022

**REPORT**

College of Agriculture, Faculty of Agriculture organized Student Club's activity on potting of seedlings by students on December 30<sup>th</sup> 2022. It aims to improve the knowledge of the students by practical exposure.

As we know, Gardening is a hobby of many people. In respect to this, after the college hours students have organized an activity for potting of seedlings into various types (i.e. earthen, plastic, hanging) and sizes of pots. Various nursery seedlings are used like chrysanthemum, adenium, rose, Kashmiri rose, marigold, ixora (small and large), calendula, tulsi, petunia, hibiscus, gazania, aster, dianthus, pansy, coleus, celosia, petra croton, lemon croton, dracaena (song of India), dog flower etc. Students used organic garden mix soil to fill the pots and watered it.

**Objective of Session:**

- To identify various types of flowers
- To improve knowledge of potting of seedlings

**Outcomes of the Session:**

- Students were able to identify seasonal flowers
- Students got practical experience of how potting of seedlings should be done.
- Students got knowledge about various ways of value addition in gardening.

**“Exhibition of Millets”**

Tuesday, February 14<sup>th</sup> 2023

**REPORT**

In this era of fast living the nutrition in the food is being reduced day by day. The consumption not so healthy food is now becoming trend. So to focus on the health of population globally, Year 2023 is being declared as “**International Year of Millets**” by United Nations. Millets are the group of crops which are rich source of minerals, fibers, carbohydrates as well as other useful amino acids. Millets can be grown in any type of soil with minimum of the inputs.

So in accordance with the celebration of International Year of Millets, Students have showcased an “Exhibition on Millets”. Before the final exhibition, millets were collected from different parts. Then basic information of every millets were collected which was followed by preparation one page detailed information of all the specific millets. Further, on the day of exhibition, team of two students explained every minute details to the visitors. To appreciate the efforts of students, the exhibition was visited by our Dean along with the other staff members. As the exhibition was scheduled during the days of NAAC team visit, so NAAC Peer team along with the President of Parul University also graced the exhibition with their presence.

**Objective of Session:**

- To Exhibit different millets
- To Create awareness about different types of millets
- To acquaint students about healthy benefit of millets

**Outcomes of the Session:**

- Students get equipped with knowledge of different millets
- Students came to know about various health benefits of millets

Wednesday, December 28<sup>th</sup> 2022

**REPORT**

As we know horticulture is most emerging phase. In respect to this point, College of Agriculture, Faculty of Agriculture organized Student Club Activity on preparation of model on December 28<sup>th</sup> 2022. It is aims to improve the knowledge of the student by preparation of models of different types of garden.

Students made models on Formal garden, Informal garden, Japanese garden, Terrace garden, Rockery garden, Miniature garden, etc. Student made models on their own ideas. Those models were displayed on 3<sup>rd</sup> January 2023, Hortus 2023. The higher authorities of Parul University exhibited the models which were prepared by students.

**Objective of Session:**

- To prepare different types of garden.
- To get practical knowledge about gardens and their components.
- To develop entrepreneurial skills of students.

**Outcomes of the Session:**

- Students get to know about different aspects of garden designing and landscaping.
- Students got familiar with various practices, components and related problems involved in gardening.
- Students get knowledge about various scope of entrepreneurship in agriculture related to gardening.

## Parul University

### Faculty of Management Studies

### Organized - Xplore 2023 beyond Infinity - National Level Management Symposium

<b>Date of Event</b>	: 10/02/2023 & 11/02/2023
<b>Venue</b>	: FMS Building
<b>Time slot</b>	: All Day
<b>No. of Participants</b>	: 700
<b>Guest of Owner</b>	: Dr. Sheetal Nair, Author, TEDx Speaker, Enabler, Award Winning Trainer, Serial Entrepreneur
<b>Faculty Coordinator</b>	: Prof. Sonakshi Sharma

#### Objective of the Guest Lecture:

Xplore 2023 aims to provide students a platform to demonstrate their management aptitude beyond theoretical knowledge by organizing a number of competitions, games, and events. A key objectives was to encourage teamwork, leadership, creativity and out-of-the-box thinking among students through activities like case study analysis, business quizzes, presentations, and informal sports or music events.

The primary objectives of "Xplore 2023 Beyond Infinity" are as follows:

- To provide a vibrant forum for attendees to delve into the latest advancements, strategies, and disruptions in the field of management.
- To facilitate knowledge exchange, networking, and collaboration among participants from diverse academic and professional backgrounds.
- To showcase cutting-edge management practices, inspirational success stories, and emerging industry trends.
- To ignite curiosity and inspire a mindset of continuous learning and exploration in the realm of management.

#### Brief of the Program:

Xplore is a multifaceted event that provides an engaging and vibrant space for students to demonstrate their managerial prowess through a series of competitive activities. With a diverse range of events spanning intellectual challenges to physically demanding tasks, the festival truly captures the essence of management in all its dimensions. The events hosted at Xplore 2023 saw enthusiastic participation from over 700 students, showcasing the growing popularity and significance of the festival.

**Parul University**

**Faculty of Management Studies**

**Organized - Xplore 2023 beyond Infinity - National Level  
Management Symposium**

**Event Highlights:**

- **Talking Titans (Extempore):** This event challenged participants' ability to think on their feet and communicate effectively. Participants were given impromptu topics and had to deliver persuasive and coherent speeches within a limited time frame.
- **Vyapar Vichar (Monopoly):** An innovative twist on the classic board game, this event tested participants' strategic thinking, negotiation skills, and business acumen as they navigated the world of Monopoly.
- **Solve-&-Succeed (Problem Solving):** Participants faced real-world scenarios and had to devise creative solutions to complex problems, highlighting their critical thinking and analytical skills.
- **Art Factory (Art India):** An artistic challenge that tapped into participants' creativity and imagination as they expressed ideas through various forms of visual art.
- **Reel It (Reel Contest):** This event celebrated storytelling through short films, giving participants the opportunity to explore their filmmaking skills and convey impactful messages.
- **Best Click (Photography):** Photography enthusiasts captured captivating moments that showcased their ability to capture the essence of a scene through their lens.
- **Shark Tanks:** A simulation of the entrepreneurial reality show, participants pitched innovative business ideas to a panel of judges, demonstrating their entrepreneurial spirit and persuasive communication.
- **Mind your Steps (Giant Ludo):** A fun and engaging challenge that required participants to strategize their moves on a larger-than-life Ludo board, fostering teamwork and decision-making.
- **Stock-O-Holic (Stock Market):** Participants engaged in a virtual stock market simulation, applying their knowledge of financial markets and investment strategies.
- **Ad-Mad (Advertisement Making):** Creativity took center stage as participants conceptualized and presented advertisements for various products or services.
- **Battle Heist (Roadies):** An exciting and physically demanding event that tested participants' endurance, teamwork, and problem-solving abilities.
- **Kurukshetra (Debate):** Participants engaged in intellectual battles, expressing and defending their viewpoints on thought-provoking topics.
- **Mind Martian (Quiz):** A test of participants' general knowledge, critical thinking, and quick recall abilities in a fast-paced quiz competition.
- **Gully Cricket:** An event that combined the love of sports with strategic thinking as participants engaged in a competitive game of cricket.

**Parul University**

**Faculty of Management Studies**

**Organized - Xplore 2023 beyond Infinity - National Level  
Management Symposium**

**Outcome of the Program:**

"Xplore 2023 Beyond Infinity" is anticipated to achieve several impactful outcomes:

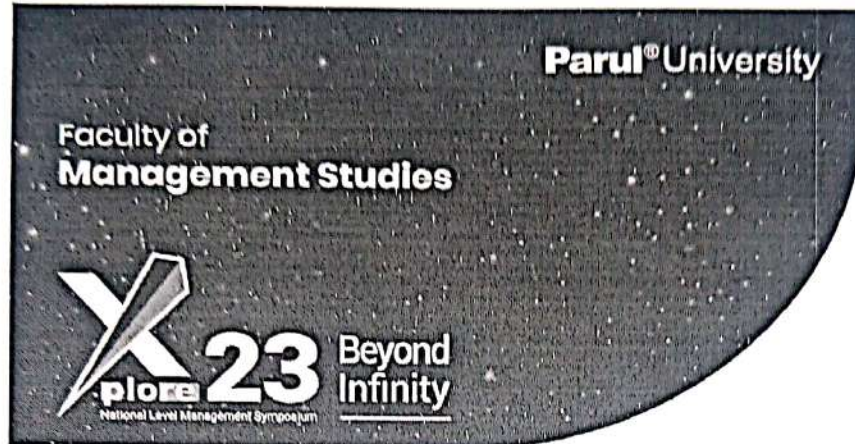

- **Enhanced Knowledge and Insights:** Participants gain a deeper understanding of contemporary management practices, trends, and challenges.
- **Networking and Collaboration:** Attendees connect with like-minded peers, industry professionals, and potential mentors.
- **Skill Enhancement:** Interactive workshops equip participants with practical management skills applicable to their academic and professional pursuits.
- **Idea Generation:** Engaging discussions, competitions, and exhibitions stimulate innovative thinking and idea generation.
- **Inspirational Impact:** The symposium inspires a mindset of continuous learning, exploration, and creativity in the field of management.

## Eco-Friendly Ganesha Celebration at PIT Campus

DEPARTMENT	PIT		
ACTIVITY TYPE	Cultural Event		
DATE & TIME	28/07/2022 09.30 AM to 04: 30 PM	Duration	1 Day
SEMESTER	All Semester	No. of Students	134
EXPERT NAME WITH DESIGNATION	NIL		
NAME OF EXPERT'S ORGANIZATION	NIL		
EXPERT CONTACT DETAILS	NIL		
FACULTY COORDINATOR	Prof. Arpita Vaidya & Prof. Urvashi Rakholiya		
FACULTY CONTACT DETAILS	9427017623, 9723273396		

Date: August 28th, 2022

Venue: Parul Institute of Technology

### Objective:

The main objective of organizing the Eco-friendly Ganesh Idol Making Competition at Parul Institute of Technology was to promote eco-friendly practices and raise awareness about the harmful effects of using Plaster of Paris (PoP) idols during the Ganesh Mahotsav festival. Additionally, the event aimed to encourage students to showcase their creativity and innovation while promoting sustainable practices.

### Activity Details:

The event was organized by the Cultural Affairs Cell of Parul Institute of Technology and was held on the occasion of Ganesh Mahotsav. The competition was open to all students of the institute, and participants were required to create eco-friendly Ganesh idols using only natural and biodegradable materials.

The event began with a brief introduction about the significance of Ganesh Mahotsav and the importance of celebrating it in an eco-friendly way. The participants were then given a time limit of three hours to create their idols using materials such as clay, papier Mache, natural colors, and other biodegradable materials.

The participants showcased their creativity and artistic skills by creating a wide range of eco-friendly Ganesh idols, each with their unique designs and features. The judges evaluated the idols based on their creativity, originality, and eco-friendliness.

Apart from the competition, the event also included a short talk on the harmful effects of PoP idols and the need to promote eco-friendly practices. The talk was delivered by an expert in the field of environmental conservation and sustainability.

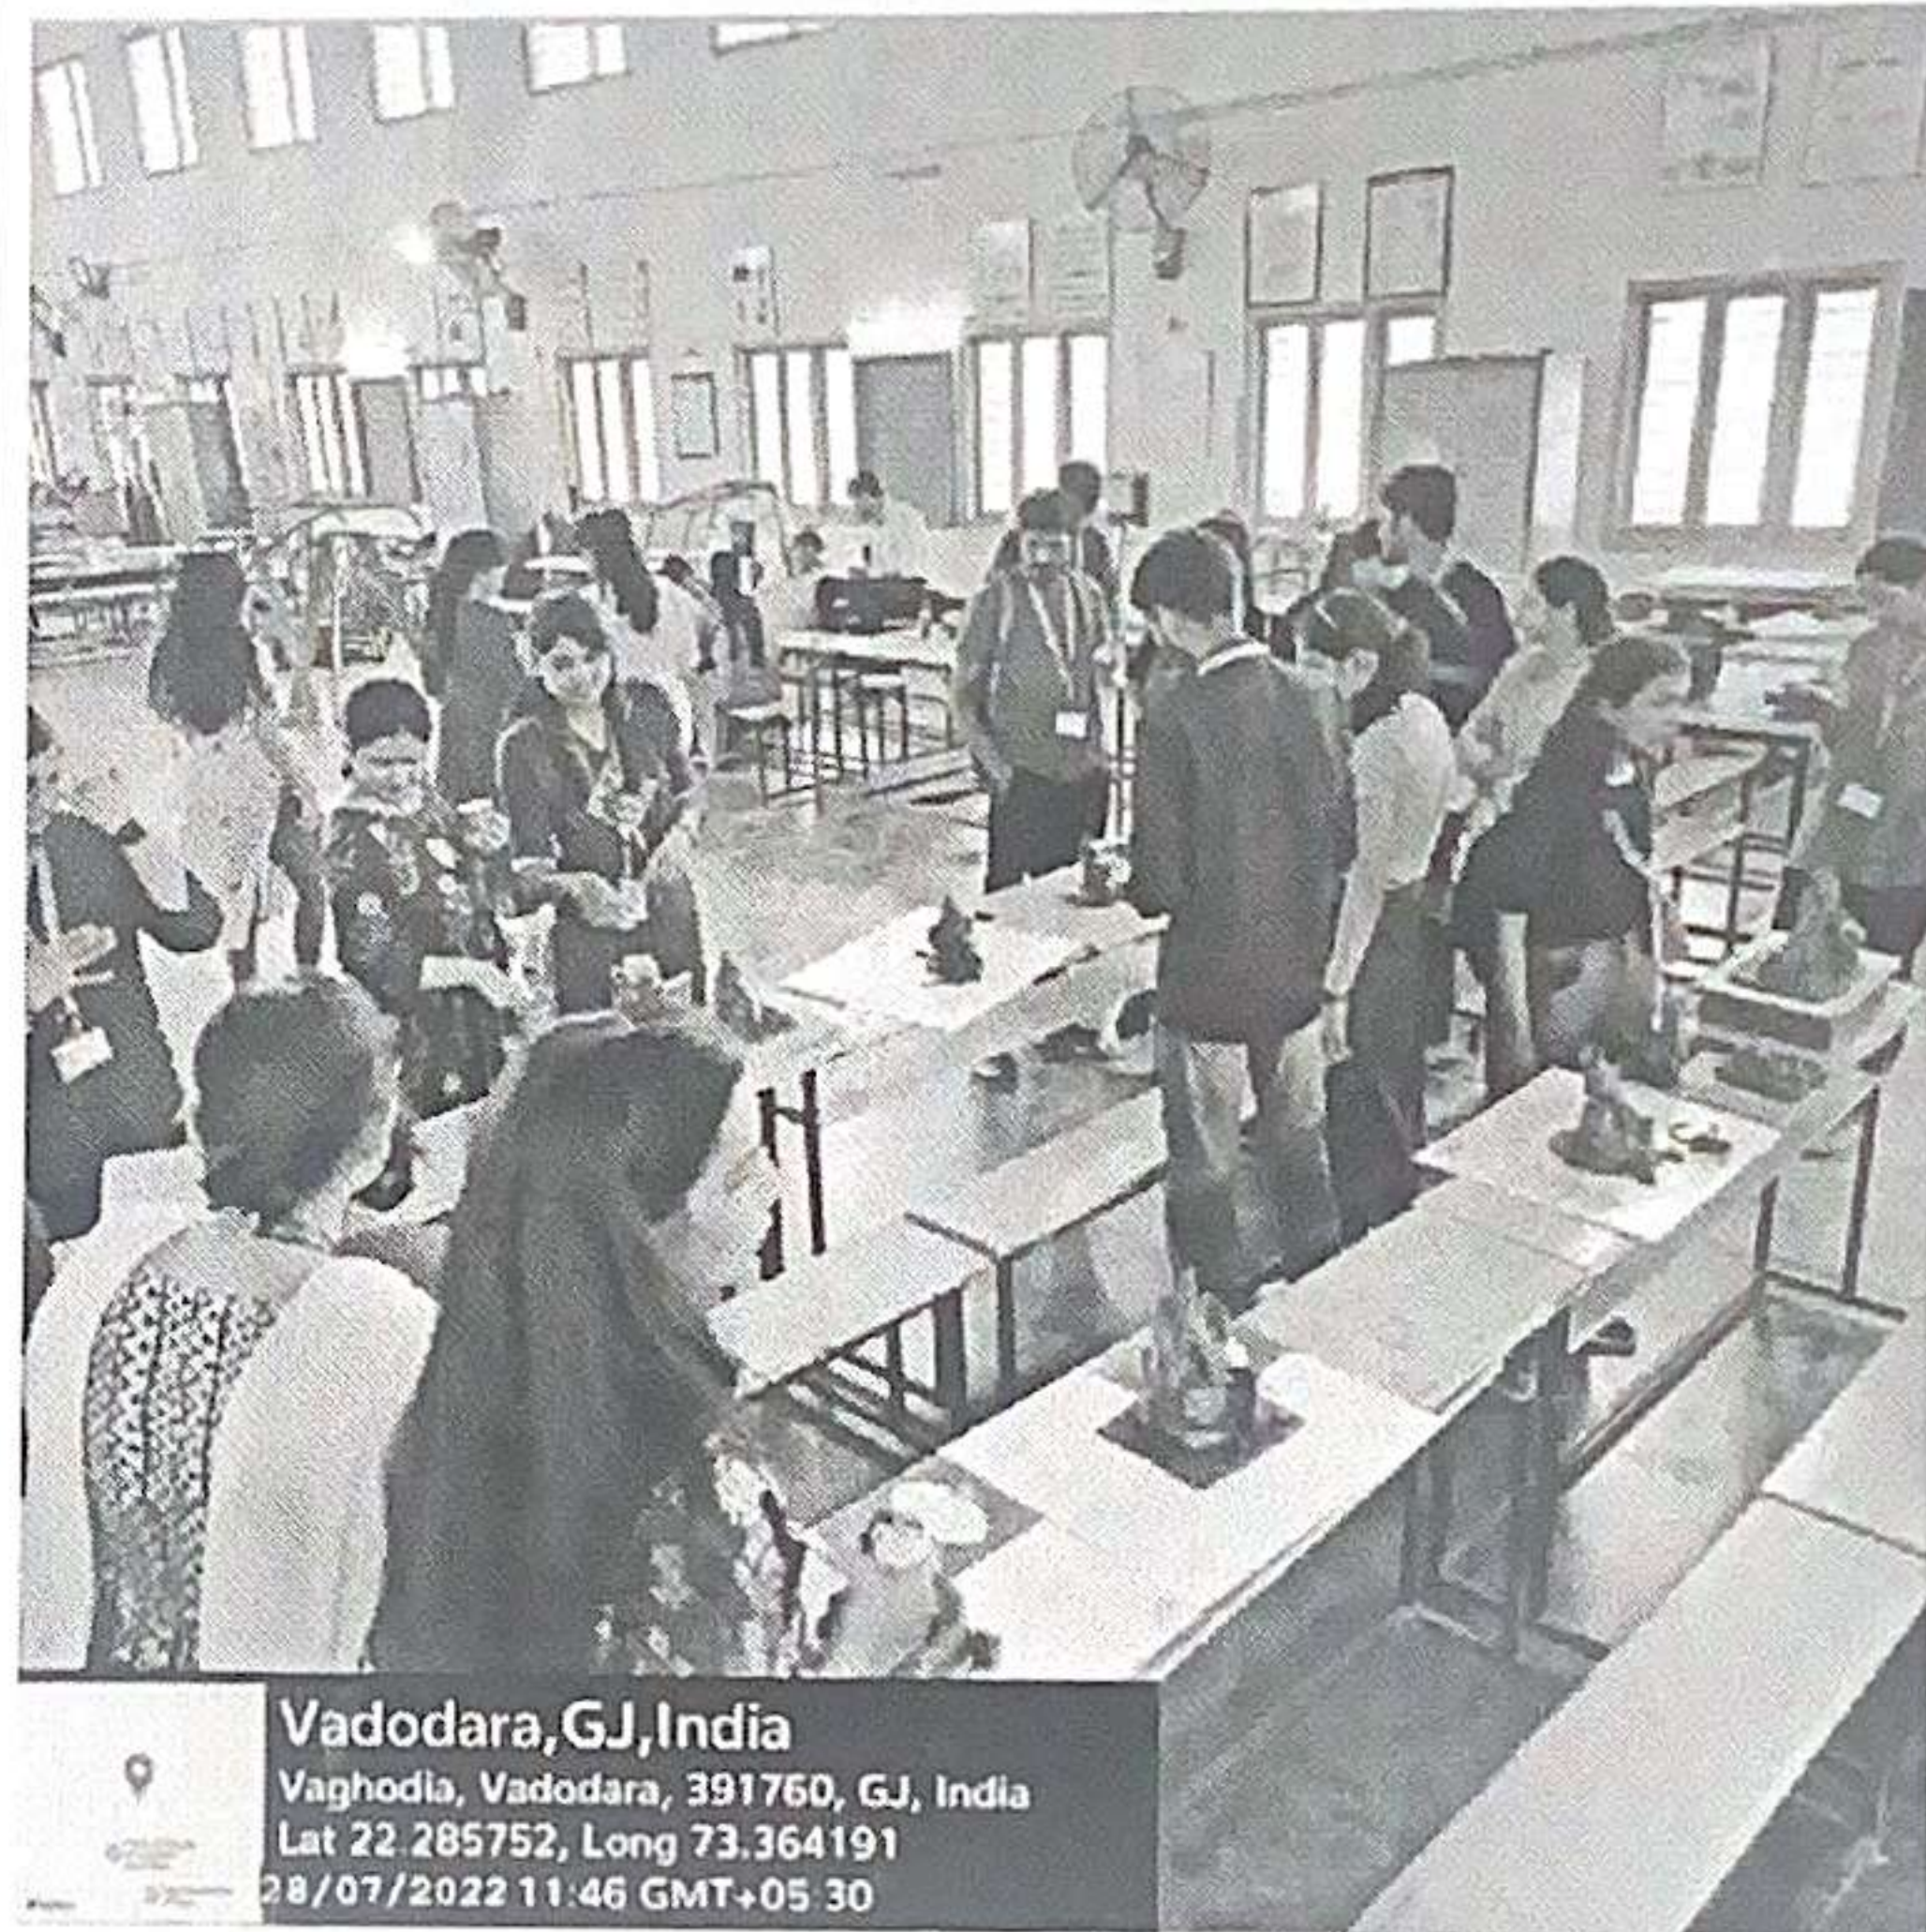

The highlight of the event was the prize distribution ceremony, where the winners of the competition were felicitated with certificates and prizes. The top three participants were awarded cash prizes, and all participants were given certificates of participation.

**Outcome:**

The Eco-Friendly Ganesh Idol Making Competition at Parul Institute of Technology was a grand success. The event achieved its objective of promoting eco-friendly practices and raising awareness about the harmful effects of PoP idols during the Ganesh Mahotsav festival. The competition also encouraged students to showcase their creativity and artistic skills while promoting sustainable practices. The event was well-received by the students, faculty, and staff, and we look forward to hosting similar events in the future.

# Yearly Report 2023

Prepared By:  
Pranav Rathi  
on behalf of Explorer Club

Parul University

+91 9156920670

210306105088@paruluniversity.ac.in

# ABOUT CLUB

Explorer Club is a club established in Parul Institute of Technology by the students of the all departments and is responsible for arranging all the major events on the PIT campus every year. The club was also responsible to assist any department of the PIT campus to arrange their event as guided by our ex-principal Dr. Bhavesh Mewada.

The Faculty coordinator of this club, Prof. Umang Panchal directs the club and its member to make the events successful, which eventually helps members to showcase their various skills like management, technical, leadership, outreaching, anchoring, etc. & simultaneously our institute to be vibrant the whole year.

# MEET OUR TEAM

**Shubhangi Sharma**  
Lead

**Chirayu Vaghela**  
Management Lead

**Pranav Rathi**  
Technical Lead

**Dhruvil Palakkaparambil**  
Core Advisory

**Aditya Jangir**  
Management Co-lead

**Dipanshu Mishra**  
Technical Co-lead

The club was handed over to this team by the senior Mst. Aniket Verma (CSE 8th Sem), as they found these the most responsible batch of students who are capable and experienced to organize future events in the institute. The main vision which made this club establish was to keep PIT at the top level when coming to vibrancy. There should be enough events in our institutes to make students explore themselves the most, weather it is in participation or organization. The club intakes students from all the departments of the institute for coordinating events based on thier talent and skills

# THE EVENTS

This club organized or was a part and was responsible for the following events in the academic Year 2022-2023.

## EVENT

- Teacher's Day
- Engineer's Day
- World Computer Literacy Day
- Udaan 2.0
- CineClick

## DATE

05 August  
15 August  
02 December  
15 December  
26 April

Explorer Club also helped with the events which were organized by other cultural committees of the university. Details are as follows:

## EVENT

- Vadodara Startup Festival 3.0
- NAAC Visit
- Dhoom Procession

## DATE

19-21 December  
14 February  
01 March

# TEACHER'S DAY

## PROF. UMANG PANCHAL

On September 5th, 2022, Parul Institute of Technology organized a Teacher's Day event to honor and appreciate the hard work and dedication of the faculty members. An overall amount of 10000/- was collected from students for this event. All the department faculties were invited to celebrate the occasion from 01.30 PM onwards. The event was a grand success with enthusiastic participation from everyone.

The event started with Indian rituals to pay homage to Dr. Sarvepalli Radhakrishnan, the great Indian philosopher, and statesman whose birth anniversary is celebrated as Teacher's Day in India. The faculties then gathered to cut the cake, which marked the beginning of the celebrations.

After the cake-cutting ceremony, various games and activities were organized to keep the attendees engaged and entertained. Passing the Parcel was one such game where the faculties passed a gift-wrapped box around, and the person who held it when the music stopped had to perform a task. The game brought out childlike enthusiasm and laughter from everyone.

The Open Mic session was another highlight of the event where the faculty members showcased their hidden talents, such as singing, poetry, storytelling, and stand-up comedy. The audience was entertained by the variety of performances and showed their appreciation through thunderous applause.

The climax of the event was the Garba dance performance. Garba is a traditional dance form of Gujarat, and it is loved by everyone in the state. The faculties enthusiastically participated in the dance, and it brought out the vibrant and energetic spirit of the event.

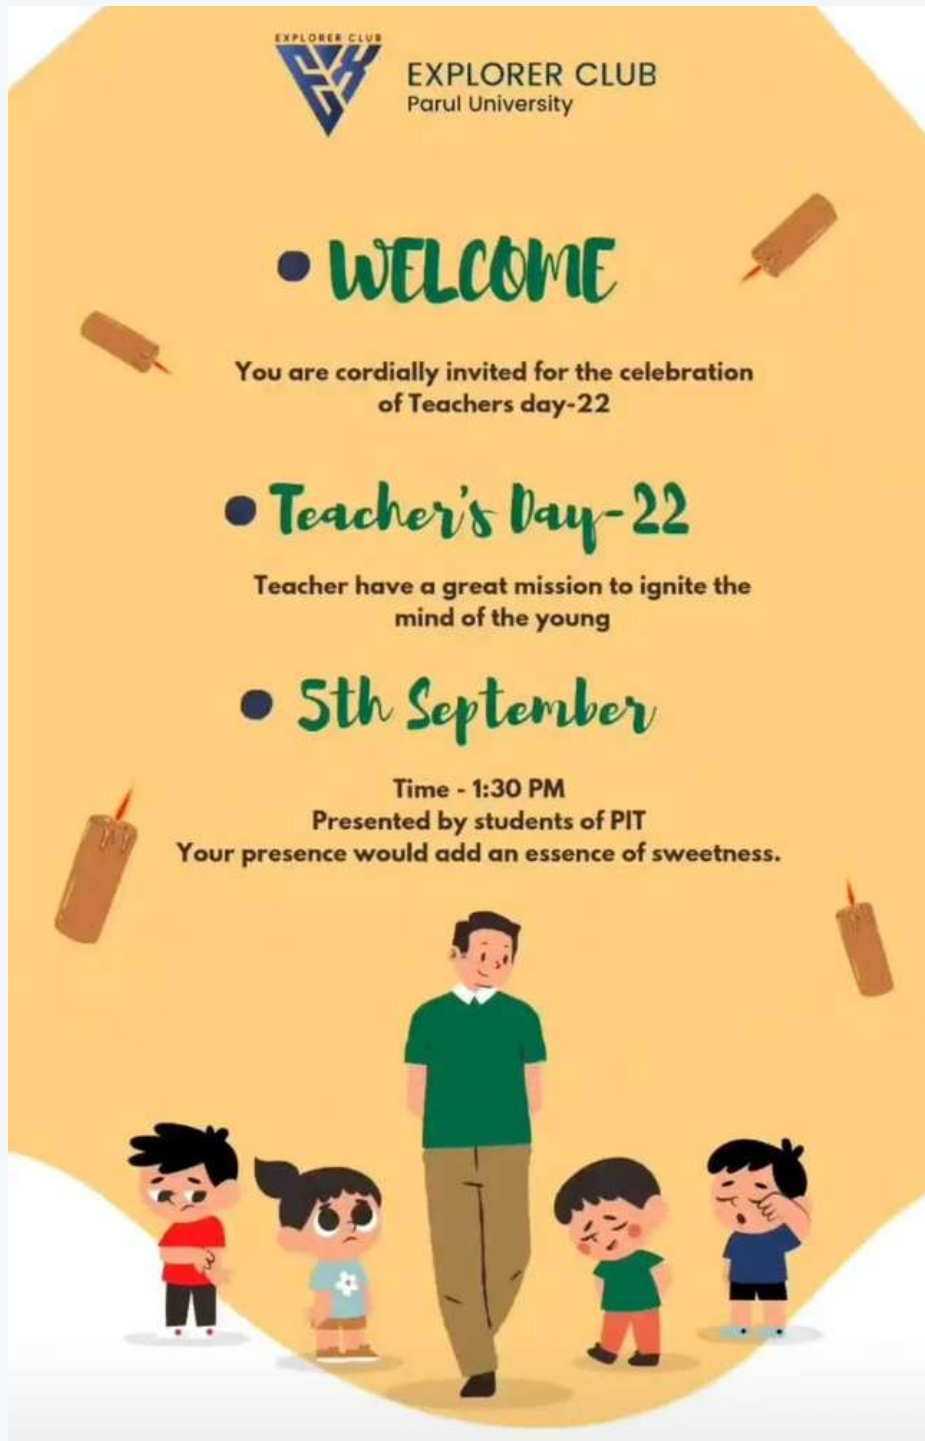

During the event, all the teachers expressed their gratitude towards the Explorer Club students for organizing such a beautiful event and making them feel special. The students had been working on the event since 29th July itself, putting in a lot of effort to ensure everything was perfect. Hand-made invitations were given to the Head of all departments to invite their respective faculties to the event.

Overall, the Teacher's Day event at Parul Institute of Technology was a huge success. It not only provided a platform for the faculties to showcase their talents and have fun, but it also strengthened the bond between them and the students. The event ended with a sense of camaraderie and gratitude towards each other, and it left a lasting impression on everyone who attended it.

# ENGINEER'S DAY

## PROF. PRASHANT KHANNA

The Explorer Club at Parul Institute of Technology organized a grand event on the occasion of Engineer's Day. All the students of the institute were invited to participate in the various events organized by the club. The event was inaugurated by lighting the Saraswati lamp at the main hall of the institute, followed by the inauguration of departmental-level events. Departmental-level events started from 10:00 AM, whereas for maximum participation, institutional-level events started from 01:00 PM onwards.

The CSE department organized three events - CSS battle, Fiery Fingers, and Techno Hunt. The Chemical department organized two events - Plant-o-Design and Chem-o-Design. The institutional-level events included gaming competitions like Valorant, Call of Duty, and Call of Duty. A total count of **864** students was received for participation.

The CSS Battle was a coding competition where participants were given a set of programming problems to solve. Fiery Fingers was a typing speed competition where participants had to type a given paragraph in the shortest possible time. Techno Hunt was a treasure hunt where participants had to solve technical puzzles to find the hidden treasure. Plant-o-Design and Chem-o-Design were design competitions where students had to come up with innovative solutions to real-world chemical engineering problems.

The gaming events were a huge success with participants battling it out in popular games like Valorant and Call of Duty. The event was held at the Computer lab of the institute. The students thoroughly enjoyed the gaming sessions and cheered for their respective teams.

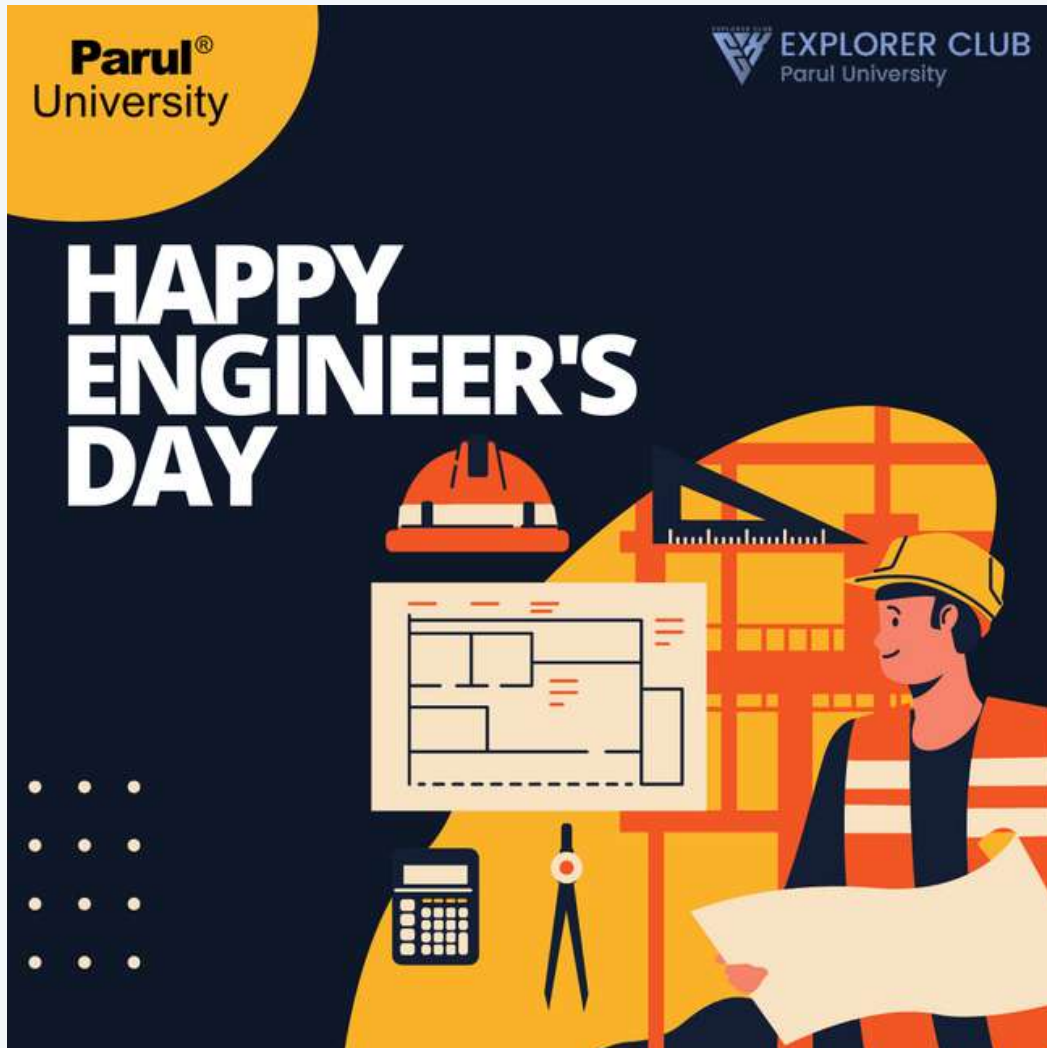

The event was well-received by the students and faculties of the institute. The whole team of Explorer Club had been working tirelessly since 8th September to make the event a grand success. The students were felicitated with certificates and cash prizes for their exceptional performances in the events.

The faculty members also showed their support by contributing an amount of 7042 rupees for the event. All the students and teachers thanked the club for organizing such a wonderful event and making them feel special.

Detailed information about the cash prizes and winners of the events is attached in the QR code, which can be accessed by scanning it. The event was a huge success and helped to foster a sense of unity and camaraderie among the students and faculties of the institute.

# WORLD COMPUTER LITERACY DAY

 **PROF. UMANG PANCHAL**

The Explorer Club at Parul Institute of Technology organized a grand event on the occasion of World Computer Literacy Day. All the students of the institute were invited to participate in the various events organized by the club. An amount of 1900 Rupees was sanctioned by the university to organize the event.

The event included four contests, namely Techno Mania, Process the Process, Memefy, and Debate Mania. A total of 130 students participated in the event, showcasing their computer skills and knowledge. The event was a great success, with the students exhibiting their abilities and challenging themselves to do better.

The winners of the contests were felicitated with cash prizes, awards, and certificates. The event not only provided a platform for the students to showcase their skills but also encouraged them to improve their computer literacy.

The event was well-received by the students and faculties of the institute. The Explorer Club had been working tirelessly to make the event a grand success. All the students and teachers thanked the club for organizing such a wonderful event and making them feel special.

In conclusion, the World Computer Literacy Day event organized by the Explorer Club at Parul Institute of Technology was a huge success, with a great turnout and enthusiastic participation from the students. The event helped to foster a sense of unity and camaraderie among the students and faculties of the institute, while also promoting the importance of computer literacy in today's world.

# UDAAN 2.0

**PROF. URVASHI RAKHOLIYA**  
**PROF. ARPITA VAIDYA**

The Explorer Club of Parul Institute of Technology organized Udaan 2.0, a cultural event on December 15 at PIT Seminar Hall from 1:00 PM onwards. The event was open to all the students of the university, and an amount of 3100 rupees was sanctioned from the university to organize the event. The registrations for the event were open, and a total of 122 registrations were received for singing, dancing, standup, rapping, and jamming. The auditions for the event started from 12th December.

The jury members who have excelled in their respective cultural fields were invited to judge the event. The jury members included Prof. Reshma Shaikh, Mst. Aniket Verma, and Mst. Sagar Samrat. The participants showcased their talents and skills in front of the judges, and the best performers were selected for the final round.

Cash prizes, awards, and certificates were given to the winners by the faculty members of the institute. The winners were awarded for their performances in various categories like singing, dancing, standup, rapping, and jamming. The participants appreciated the effort put in by the Explorer Club for organizing such a wonderful event, and the jury members were also impressed with the level of talent displayed by the students.

Overall, Udaan 2.0 was a successful cultural event, which provided a platform for the students to showcase their talents and skills. The Explorer Club received positive feedback from the students and faculty members for organizing such an event, and they promised to organize more such events in the future.

# CineClick

**PROF. UMANG PANCHAL**

CineClick, a technical event organized by the Explorer Club at Parul Institute of Technology on April 26 at PIT Seminar Hall was a huge success. The event was open to all students from Parul Institute of Technology, Jawaharlal Nehru Homeopathy College, and Parul Institute of Applied Science. An impressive total of 131 registrations were received for various competitions, including Photography, Drama, and Short-film making.

The jury members for the event were selected from university students itself who have excelled in their respective cultural fields. The panel included Mst. Karan Patel, Mst. Jay Patel, and Mst. Dhruv Shah. The contestants displayed great skills and creativity in their respective events, making it a tough competition for the judges.

The winners were announced, and awards, certificates were given to them by the faculty members of the institute, with help from the branding department. The participants were thrilled to have taken part in such a well-organized and engaging event that showcased their technical skills.

Overall, CineClick was a great success. It was a great platform for the students to showcase their talent and enhance their skills in photography, drama, and short-film making.

## Activity Report on Expert Talk on “Foundations on Problematic Soil Conditions”

DEPARTMENT	Civil Engineering Department		
ACTIVITY TYPE	Expert Talk		
DATE & TIME	27/07/2022 1:30 to 2:30	Duration	1 Day (1hrs)
SEMESTER	7 <sup>th</sup> Sem	No. of Students	80
EXPERT NAME WITH DESIGNATION (1)	Mr Himanshu Kotak, Key Person ,		
NAME OF EXPERT'S ORGANIZATION (1)	C-Phi Consult Pvt Ltd, Ahmedabad, Gujarat		
EXPERT CONTACT DETAILS (1)	8758746898		
FACULTY COORDINATOR	Vanshika Muchhara, Ankita Sharma		
FACULTY CONTACT DETAILS	9998297532		
SPONSORING AUTHORITY	-NA-	Sponsorship amount:	-NA-

### Objective:

- Main objective of the expert talk was:
- To give knowledge to final year students about types of foundations depending upon types of soils.
- Types of foundations on problematic soils.

### Activity Details:

An expert talk on “Foundations on Problematic soil conditions” was organized by Civil Engineering Department, Parul University on 27th July 2022. The session was organized at D-101, Civil Engineering Department, PIET from 1:30 pm to 2:30 pm. The session was arranged for 7th semester students. We started the session by introduction of the expert.

Sir had started the lecture with Introduction to Problematic soils. After that sir gives the brief knowledge about various problematic soils such as Black cotton soil, loose sand, collapsible soils and gave suggestions based on his experience and future demand in the market. He explained about Expansive soils, his characteristics, various soil properties, laboratory tests and field tests to determine whether the soil is expansive or not.

He also introduced in detail about the under reamed piles used for expansive soils. Case studies were also shown for the same matter.

Students were able to understand about types of problematic soils and types of foundations related to it. Session completed by concluding remarks as well as giving a token of appreciation to the expert by Prof. Ankita Sharma.

Glimpses of activity:

Himanshu Kotak explaining about various problematic conditions in soil on 27<sup>th</sup> July 2022

Students listening about types of foundation for various problematic soils on 27<sup>th</sup> July 2022

167	210303104901	PUMBHADIYA PRAKASHCHANDRA POPATLAL (WIP)	

**Outcome:**

There was a very positive response from students as well as faculties who participated enthusiastically in the interactive session on **“Foundations on problematic soil conditions”**. More interesting activities related to career choices are planned in future.
